

Nishant Nimish

Pune, MH | +91 9583767140 | nimishnishant1995@gmail.com

Professional Summary

Senior Software Engineer with over 6+ years of experience in Fullstack development, specializing in JavaScript frameworks like React and Redux for the frontend, along with AWS services (like lambda) and Node.js for the backend. Proficient in web performance optimization, responsive design, cross-browser compatibility, and cloud infrastructure management.

Technical Skills

- Languages: JavaScript, Java
 - Frontend Development: React.js, HTML5, CSS3
 - Backend Development: Node.js, MySQL, MongoDB
 - Cloud & DevOps: AWS Services (Lambdas, API Gateway, S3), Jenkins, CI/CD, GIT
-

Work Experience

LTIMindtree, Pune

Client: Travel Management Organization

Mar 2022 – Present

- Developed an invoice management app allowing travelers to view travel itineraries.
- Implemented features for emailing itineraries and providing PDF downloads.
- Utilized AWS Lambda as a serverless backend and API Gateway for secure and scalable API management.
- Enabled multi-language support using the i18n library, enhancing user accessibility.

Client: Beverages Organization

Apr 2021 – Feb 2022

- Enhanced the web app for inventory and order tracking, improving efficiency.
- Integrated Amplitude.js into the React App for real-time analytics and user tracking.
- Implemented Okta authentication for secure user access and Context API for efficient state management, ensuring data consistency.
- Developed Express.js routes to streamline business logic and integrated MongoDB for scalable structured data storage.

WIPRO Technologies, Pune

Client: Banking Organization

Dec 2018 – Jan 2021

- Optimized large dataset handling with pagination and lazy loading, enhancing UI performance.
 - Utilized Redux for efficient state management and seamless data rendering.
 - Secured access with role-based secure routes to strengthen application security.
 - Used Spring Boot and MySQL for creating APIs, ensuring scalability and efficient data handling.
-

Education

Kalinga Institute of Industrial Technology, Bhubaneswar

Bachelor of Technology – Computer Science (CGPA – 7.1)

2014 – 2018
